A black and white photograph of a single-story building with a gabled roof and white horizontal siding. The building is situated on a street corner. A dark sign on the front facade reads "M. J. Vail Heru Senior Citizens Center". The building features several windows with dark shutters and a central entrance with a small porch. In the background, there is a steep, wooded hillside. To the right, another building with a stone base and large windows is partially visible. The foreground shows a paved road with a white line.
