Globe Building. First Avenue facade
prior to onset of rehabilitation.

A black and white photograph of a multi-story brick building. The ground floor is a garage with large open bays. The second floor has a sign that reads "ARLINGTON GARAGE" in large, bold, black letters. Above the sign, there are several windows with decorative lintels. A fire escape is visible on the right side of the building. In the background, a modern skyscraper is visible. The scene is captured from a low angle, looking up at the building.
