NO. 1524-37

A black and white photograph of a large, light-colored metal electrical cabinet, likely a high-voltage transformer or switchgear, mounted on a concrete base. The cabinet is positioned against a brick wall. On the right side of the cabinet, there is a prominent warning sign that reads "DANGER HIGH VOLTAGE" in bold, capital letters. The sign is rectangular with a dark background and white text. Below the sign, there are several horizontal ventilation slats. The cabinet has a door on the right side with a handle and a lock mechanism. The overall scene is outdoors, with some foliage visible on the left and right sides. The lighting is bright, casting shadows on the ground and the wall.

**DANGER**  
HIGH  
VOLTAGE
