ATTENTION: MR. Maggie L. Walker, President:

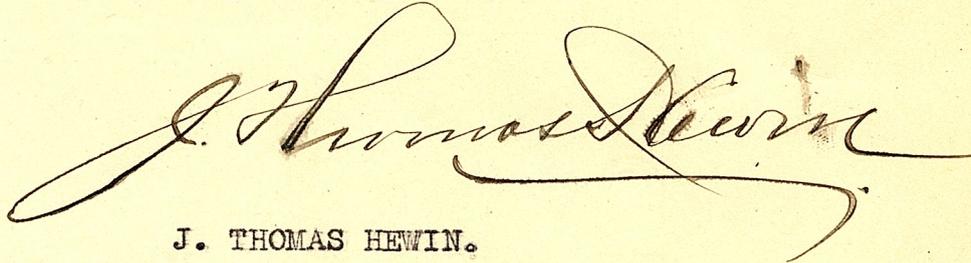

My Dear Mrs. Walker:-

I received to-day from the Bankers Fire Insurance of North Carolina, a note for \$2000.00, dated April 20th, 1922, and payable four years after date to bearer, negotiable and payable at St. Luke Penny Savings Bank of Richmond, Virginia. This note is long past due. I have instructions from the holder of this note to proceed with foreclosure proceedings against 00 Clay Street, at once, on which property this note is secured by deed of trust.

I realize that it will take several days for you to get notice to the Council Of Colored Women in order that official notice may be given them. In the meantime, I will hold this matter in abeyance until I hear from you.

With kindest regards. I am,

Very Respectfully Yours,

J. THOMAS HEWIN.
