A black and white photograph of a dark-colored door with a glass insert. The door is set within a white frame. To the right of the door, a house number '718' is displayed vertically in white digits on a dark background. The door has a glass insert with a decorative pattern. The surrounding area appears to be a porch or entryway with horizontal siding. The image is framed by a white border, suggesting it might be a scan of a physical photograph.
