A black and white photograph of a high school building. The building is a single-story structure with a gabled roof. The words "HIGH SCHOOL" are painted in large, dark letters across the upper part of the facade, centered under the gable. Below the text, there is a small, square window with horizontal blinds. To the left of this window, a chimney rises from the roof. The building has several large windows: one with an arched top on the left, and a tall, narrow one on the right. The foreground shows a concrete walkway leading to the entrance, a patch of grass, and a large, leafy bush on the right side. The sky is bright with some clouds.
