A black and white photograph of a golf course. In the foreground, a paved path curves from the bottom right towards the center. To the left of the path, a wooden sign with the words "FISHING AREA" in white capital letters is supported by several large, dark rocks. Behind the sign, a tall, thin utility pole stands vertically. The background is a wide, grassy area with scattered trees, some of which are large and leafy. The sky is bright and clear.
