18. Description This house is of frame construction combining shingles and weatherboarding on a limestone foundation. It has a modified gambrel roof. The front section is asymmetrical with a porch with columns which surrounds three sides of the house. A large bay window extends from the front of the house. Details include oval windows and leaded glass. The (SEE NEXT PAGE)		34. Prepared by: Marcia Dalton, Mary Oppel, Elizabeth F. Jones	
19. History The house was built about 1894 by James Thompson and occupied by him and his brother Dr. Cuthbert Thompson, a local physician. According to oral tradition it was designed by Louisville E.T. Hutchings and built by Wm. B. Wood.		35. Organization Jefferson County Office of Historic Preservation	
20. Significance The structure is significant as a late nineteenth century example of eclecticism combining the Shingle style with Queen Ann motifs.		36. Date 26 September 1979	
21. Source of Information Jefferson County (KY) Deed Book 427, p. 524 Interview with Col. Frank Thompson.		37. Revision Dates 38. Staff Review
