A black and white photograph of a pool deck. The deck is covered in a mosaic of small, light-colored hexagonal tiles. Scattered across the deck are several dark, circular spots, likely from water damage or mold. In the center of the deck, there is a large, stylized logo. The logo consists of the words "THE" and "CLYDE" stacked vertically. The letters are bold and outlined, with a grid pattern inside each letter. The logo is tilted slightly to the right. The pool's edge is visible at the top of the frame, showing a dark border and a metal coping.
