Martyrs Monument
Woodford County, Kentucky

Section number 7, 8, 10

Page 1

Description The Martyrs Monument in the Midway Cemetery is a granite obelisk approximately 15 feet tall. It is rough cut stone designed to appear to be made in five sections. The main three sections being the obelisk and the last two the base. The face of the monument has the inscription: "Rest soldiers rest they warfare O'er -- M. Jackson, J. Jackson, C. Rigsner, N. Adams shot by order of Gen. Burbridge -- Our Confederate Dead." These inscriptions are on the lower two sections of the obelisk and the first section of the base. The monument was erected ca. 1890.

Statement of Significance The Martyrs Monument meets National Register Criterion A and is significant within the context of "Civil War Monuments in Kentucky, 1861-1935." This is a good example of the property type "tombstone." This stone was erected to four men who were killed as a part of Union General Stephen G. Burbridge's "retaliation policy." He ordered four "guerilla-marauder" prisoners shot for each loyal person killed. This monument is one of four across the Commonwealth that was erected to men killed by Burbridge. All of these monuments are located in cemeteries.

Verbal Boundary Description - The Martyrs Monument whose boundaries form a circle with a radius of ten feet centered on the monument located in the Midway City Cemetery.

Verbal Boundary Justification - The area associated with the monument is restricted to the ground on which the monument sits and a small buffer around it. The setting outside such a restricted area is not seen as critically important to maintaining an integrity of association. Because the focus of the multiple property submissions is the significance of the monuments, their proposed area of listing will reflect that they have been considered by-and-large, in isolation from their surrounds.
