A black and white photograph of the entrance to the Magalia Community Church. The building has a gabled roof with dark shingles. A dark rectangular sign is mounted above the doorway, featuring the name 'Magalia' in a cursive script and 'COMMUNITY CHURCH' in bold, white, sans-serif capital letters. The entrance is framed by a white door and a white door frame. The left door is open, revealing a dark interior with a large cross on the wall and a hanging light fixture. A small, round light fixture is mounted on the shingles above the sign. To the left of the entrance is a window with a white frame and a white curtain. A set of stairs with a dark metal railing and a lattice-patterned skirt leads up to the entrance. The steps are covered with a layer of snow or frost.
