NOTICE

WARNING CONCERNING COPYRIGHT RESTRICTIONS

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material.

Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these conditions is that the library or archive must have received your request for a photocopy or other reproduction. The law also makes it illegal for an individual to reproduce or to disseminate a reproduction for purposes other than "fair use," and for an individual to be liable for copyright infringement.

This institution reserves the right to refuse to accept a copying order if, in its judgement, fulfillment of the order would involve violation of copyright law.

NOTICE: This material may be protected by U.S. Copyright Law (Title 17). Reproduction, distribution, or exhibition is prohibited without express written permission from:
