S.S. CATALINA

Berth 96, Harbor of Los Angeles, San Pedro, CA

Photographer: unknown

Date of Photo: July 1925

Location of Neg: Commadore L. G. Arellanes

Private Collection, 429 N. Daisy Ave.,

Pasadena, CA

Los Angeles, CA

Description: This photo is the first official formal photo of the SS CATALINA taken approximately one year after her christening. The photo is a portside and broadside view of the vessel. At the time of the photo the vessel was in the San Pedro Channel just outside the breakwater. This photo gives a good indication of how the SS CATALINA was originally fitted and staffed.

CATALINA

S.S. CATALINA

Berth 96, Harbor of Los Angeles, San Pedro, CA

Photographer: Ted Wurm

Date of Photo: January 1945

Location of Neg: Commadore L. G. Arellanes

Private Collection, 429 N. Daisy Ave.,

Pasadena, CA 91101

Los Angeles Co.

Description: This photo is a portbow view of both the SS CATALINA (FS 99) and the SS Cabrillo SS CABRILLO (FS 100) as they lay alongside the dock at the San Francisco Port of Embarcation (Fort Mason). This photo clearly shows the wartime conversion of the vessel, with the gray coating she received from the W. S. A.
