An ornate, dark-colored gravestone with a decorative border of scrolls and floral motifs. At the top center is a carved face of a cherub or angel with wings. The inscription is in a serif font, with some words in all caps and some in title case. The stone shows signs of age and wear, including a prominent crack across the middle.

An ornate, dark-colored gravestone with a decorative arch at the top. The arch contains a central relief of a face with wings, possibly an angel or cherub, surrounded by intricate scrollwork and floral patterns. Below the arch, the stone is inscribed with text in a mix of block and cursive fonts. The entire stone is set in a grassy cemetery with other headstones visible in the background.
