G. S. MILLER'S RESIDENCE
PETERBORO

A black and white photograph of an archaeological excavation. The image shows a rectangular pit dug into the ground, lined with large, roughly-hewn stones. The interior of the pit is dark, suggesting it is deep. A black rectangular marker with white text is placed on the ground at the bottom of the pit. The text on the marker reads: "GERRIT SMITH SITE", "FEATURE 1", "WEST 10 CM", and "5/29 98". The surrounding ground is light-colored and appears to be soil or sand.

GERRIT SMITH SITE
FEATURE 1
WEST 10 CM 5/29 98
