Sign of a good time to fly

No snowdrifts, no icy roads when you travel along TWA's "fair-weather level." Just a smooth, relaxed, easy-going atmosphere as your swift TWA Constellation speeds you to your destination. You nap, read, catch up on work — feast yourself on delicious complimentary meals while snow-covered roads and surface strains pass unnoticed below. Try it on your next trip. You'll discover there's every good reason to fly... every season of the year.

Fun and fun are only two ways you'll fly. Fly fair-weather with TWA's Constellation Sky Plane service to California, Arizona, the Mediterranean and India.

Where in the world do you want to go? For information and reservations, call TWA 30-30, your travel agent.

Fly the finest... **FLY TWA**
