19. History 3209 West Broadway was built in 1920 in the 1919 Marlow Place Subdivision. The house was first occupied in 1922 by Fred J. Krazlise, a salesman for Strassel's.		35. Organization Landmarks Com.	
20. Significance This structure is one of ten buildings left in the area and reflect the purer bungalow style derived from the Prairies and Western Stick styles. No other examples of this architectural treatment has been identified in the city. (over)		36. Date November 17, 1980	
21. Source of Information Caron Directory of the City of Louisville. 1919-30.		37. Revision Dates _____ 38. Staff Review _____	

18. by a horizontal wood beam and a central vertical wood post. A door and a double-hung window are sheltered by the porch. A Chicago-type window is on the left of the porch.

20. This structure was designed and built by the Heatt Brothers Co., an important building, development and real estate company in Louisville in the early 20th century. The firm was responsible for a number of east-Louisville developments including Windsor Place and also for a number of designs for homes in the Cherokee Triangle and Crescent Hill.
