View of basement

JAN 29 1980

A black and white photograph of a staircase. A prominent, dark, decorative wooden post stands in the center, featuring a spherical finial and several rings. The staircase has a dark wooden railing with vertical balusters. In the background, a white wall has a rectangular sign with the word "EXIT" in bold, capital letters. To the left, a doorway is visible, and a person's head is partially seen. The lighting is dramatic, with strong shadows.
