A black and white photograph of a street intersection. In the foreground, a paved road curves from the bottom left towards the center. To the right, a gravel road branches off. In the middle ground, a sign on two white posts points left. The sign features the 3M logo and text. Behind the sign is a large bush. In the background, there are several buildings: a two-story stone building on the left, a smaller white building in the center, and a larger two-story white building on the right. Utility poles and power lines are visible across the scene. The sky is overcast.
