DESCRIPTION 7. (Check One) 🗴 Good Excellent 🗌 Fair Deteriorated 🗌 Ruins Unexposed CONDITION (Check One) (Check One) 🗙 Altered Unaltered 🗌 Moved 🗙 Original Site DESCRIBE THE PRESENT AND ORIGINAL (if known) PHYSICAL APPEARANCE The original barn was a typical large two-story bank barn, with an entrance for hay wagons on the second story and an entrance for livestock on the first. While this design has not been in any way altered, there was additional construction of a long parallel wing on the downhill side which obstructs the original livestock entrance. There was a natural hillside so the second story entrance is at ground level (it was not necessary to 5 build a ramp). AI

This type barn is common in sections of the country in which a German immigration pattern is visible. The Belvidere area is one of several such communities in Tennessee. This appears to be the best preserved example of a large structure representing the significant Germanic contributions to the life of the state. In this instance the contribution was in the field of agriculture.

Christian Zaugg immigrated from Switzerland to New York in 1853. He moved to Tennessee, via Ohio, in 1870. The barn was erected in 1878, according to a dated upright timber in the loft. Zaugg also built the original German Reformed Church at Belvidere, now remodeled (brick veneer over part of original structure) as the United Church of Christ.

8. SIGNIFICANCE (cont.)

The Zaugg Bank Barn possesses a two-fold significance. Although this type of barn is common in some midwestern states and in Pennsylvania, they are rare in Tennessee. This is the only barn of this type that has thus far been discovered during the survey of the state.

Also, the barn is one of the few remaining structures built by the German Swiss settlers in the area a century ago. These settlements are not numerous in Tennessee.

Therefore, as an example of a type of structure unique to Tennessee, and as a remaining structure built by the German Swiss settlers, this barn possesses much significance for Tennessee.
