A black and white photograph of a classical-style building. The central feature is a double door with a grid pattern, set within a semi-circular archway. Above the archway, a sign reads "SAN RAFAEL IMPROVEMENT CLUB". The building is supported by several tall, fluted columns. To the right of the entrance is a large window with vertical blinds. The building has a prominent cornice and decorative moldings. A tree is visible in the upper right corner, and some foliage is in the lower left.
