A black and white photograph of the upper portion of a brick building. The central focus is a dark rectangular sign with a white border, containing the text "MARGERY BUILDING" in white, bold, sans-serif capital letters. The sign is mounted on a brick wall. Above the sign, the brickwork features a decorative cornice with a central arched element and two side pilasters. Below the sign, there is a row of small, square, decorative openings. Further down, a small, square, decorative vent is visible. At the bottom of the image, the tops of two bay windows are visible, each with a decorative, curved lintel.
