

USE A LITTLE JUDGMENT

And Select Property That Will Steadily Increase in Worth—Go to Milwaukee's Newest High-Class Residence District

BUY AT HI-MOUNT

You will own property that continually increases in value.

No one who bought residential property in Milwaukee who used ordinary good judgment in making a selection in a district where there were reasonable building restrictions, has ever made a poor investment.

Everything points to a greater success for Hi-Mount than any sub-division now offered to the people of Milwaukee.

HI-MOUNT IS ONE BLOCK WEST OF WASHINGTON PARK

Hi-Mount is laid out beautifully with a splendid boulevard in the center of the tract, all asphalt streets and cement sidewalks made, trees planted, sewer, water and gas laid. Hi-Mount is certain to be the finest residential district on the west side. The restrictions enforced will prevent establishing of factories and the erection of store buildings in the entire district. Everything is in readiness for you to build your home. The present prices are positively consistent with present values—those buying now get in on the ground floor—those buying now get the full benefit of all increases in value.

If you are not in a position to build a home now we will erect a home after your own plan—you acquire this property, by making a small monthly payment instead of paying rent.

How to Reach the Property—Take a Walnut street car and get off at Forty-eighth street, and you will be on the property. Come out Sunday. Our salesman will be there to meet you.
