

POST 125 AMERICAN LEGION

① American Legion Hall

Kiowa County

Colorado

A black and white photograph of a single-story building with a corrugated metal roof. The building's exterior is light-colored, possibly white, and features several windows and a central double door, all of which are covered with dark wooden shutters. The text "AMERICAN LEGION & AUX" is painted in large, dark, block letters across the upper portion of the building's facade. A dark, cylindrical object, likely a barrel, is positioned on the ground to the left of the central entrance. The foreground is a dirt or gravel area, and a utility pole with power lines is visible on the right side of the frame. The sky is overcast with dark clouds.
