Timber City Photos

A black and white photograph showing the upper portion of a brick building. The top of the image shows a decorative cornice with three rectangular blocks. Below this is a horizontal band of dark, textured brickwork. The main part of the image is a brick wall with the words "THE LY. N. BLOCK" in large, raised, block letters. Below the text is another decorative band of dark brickwork. At the bottom, the tops of three arched windows are visible, each with a brick arch and a dark frame. The sky is a uniform dark grey.
