A black and white photograph of a building's exterior. At the top, there is a small, oval-shaped vent with vertical slats. Below it, three windows with dark frames and horizontal blinds are visible. Each window is set within a decorative, carved stone or plaster surround. The wall is light-colored and shows some signs of wear. A tree trunk is visible on the right side of the frame.

**Spindled vent**

A black and white photograph of a building's exterior. The focus is on a large, arched window with a sunburst or fan-like pattern of dark frames. The window is set within a decorative archway. Above the window, there is a small, rectangular window with a decorative surround. The wall is light-colored and shows some signs of wear. A small square object, possibly a light switch or outlet, is visible on the wall to the left of the window.
