A black and white photograph of a shoe store named "Norris Shoes". The store has a large, light-colored awning over the entrance. The name "Norris Shoes" is written in a bold, serif font on a white sign with a decorative border. To the right of the text on the sign are three stylized footprints. The entrance consists of a set of double glass doors flanked by two large display windows. The windows are filled with various styles of shoes. The store is set on a sidewalk with a patterned mat in front of the entrance. A tree is visible in the upper left corner of the image.
