Office of John W. Patterson & Co.

New York March 16th 1862

R. P. Hunt Esq.

Dear Sir:

We have your favor
with Invoice of 6 bales Sterlings 179
c184

The money market con-
-tinues very stringent and has given
a check to prices of stocks, real estate
many kinds of goods &c. - It does not
however affect the price of West India
much - The latter is perhaps a little
lower than our last purchase of 19
bales perhaps a quarter of a cent -
We looked through the market today -
We are endeavoring to ascertain where
the delay is in forwarding, but we
will do what we can - In order how-
-ever to avoid inconvenience we
must buy a little more in advance -
Please let us know if the 13 bales at 10/4
was good enough as it was much inferior
to the 19 last sent -

We give you a sketch on the other
page of 50 Bales which closes us all
out - Have you any objection to our selling
some with another stamp if a party who
is now talking should conclude to buy
Yours truly
Henry Patterson & Co
