400 BLOCK OF E. BROADWAY

RTH ST

A black and white photograph of a residential street. The scene is dominated by large, mature trees with dense foliage, which partially obscure the houses in the background. In the foreground on the left, a utility pole stands tall, with several power lines stretching across the frame. A street sign is visible on the left, with the text 'RTH ST' partially legible. Below the sign, a dark-colored car is parked on the street. The houses in the background are multi-story, with some featuring porches and shutters. The overall atmosphere is quiet and suburban.
