A black and white photograph of a residential street. The road is paved and runs from the foreground towards the background, where it curves slightly to the left. On the right side of the road, there is a low stone wall. Behind the wall, there are several large, mature trees with dense foliage. A speed limit sign is mounted on a post in the middle ground, partially obscured by the trees. The sign is rectangular with a white background and black text. The text on the sign reads "SPEED LIMIT" in a smaller font at the top, and "25" in a larger font below it. The overall scene is a quiet, tree-lined residential street.
