JUL 28 1980

AUG 29 1980

A black and white photograph showing a close-up, low-angle view of a building's exterior. The building has a textured, possibly perforated metal facade. A large, three-dimensional sign is mounted on the wall, spelling out the word "NORMANDIE" in bold, capital letters. The sign is slightly curved and appears to be made of a dark material. To the left, a dark, textured awning or overhang is visible, partially obscuring the top of the frame. The lighting creates strong shadows, emphasizing the three-dimensional quality of the sign and the texture of the building's surface.
