A black and white photograph of a modern, single-story brick building. The building features a prominent entrance with large glass doors and windows. To the left of the entrance, the words "First American" are displayed in a stylized font, with a circular logo to the left of the text. The building has a flat roof and a series of white columns supporting a covered walkway on the right side. The foreground shows a paved area, possibly a parking lot or street, with some white markings. Trees are visible in the background behind the building.
