6 of 11 Limerock Village HD

NPS Number 5/23/74

Title: Limerock Village HD
Quarried, R.I.

Loc. View from the south of the quarry
presently being dug by the Conklin

Limestone Company. This area was
known as South Hill during the many
years it was owned and quarried by
the Harris family. In the background
can be seen the buildings of lime rock
along Great and Wilbur Roads,

Limerock Grange

PROPERTY OF THE NATIONAL REGISTER

NPS Number 5123/74

Title: Limerock Village (H.D.)
Providence, R.I.

Loc. Exterior view of the Limerock Grange

from the southeast. The northern two bays
comprise the original building, erected as
a toll house in 1807 by the Louisquisset
Turnpike Company. The Grange is presently
located some 28 feet east of its original
site due to the widening of the old
Louisquisset Pike in the 1920's.

Title:

Ximerock Village F.D.
Providence, R.I.

Loc. Exterior view of the Jonathan Harris

House (1742) from the southeast.

This house is located across the old
Louisquisset Pike from the middle Hill
Lime Quarry and was built by a brother of
David Harris, the man responsible for developing
the lime industry in the second half of the
eighteenth century.

North Hill Quarry

11 of 11

NPS Number 5/23/74

Title: Limerock Village HD
Provident, RI

Loc. View from the east of the North Hill,
now filled with water, on old Louisquisset
Pike. This is probably the oldest quarry in
Limerock and was commonly referred to as
the Jointa Hole. North of this quarry are
the ruins of two lime kilns and east of it
are the ruins of two lime houses.
