CRANE CO.

A black and white photograph of the entrance to the Crane Co. building. The entrance is framed by a classical portico with two columns and a pediment. The name "CRANE CO." is carved in large, bold letters across the top of the pediment. Below the pediment is a set of double glass doors with a transom window above them. The building is constructed of dark brick, and there are windows on either side of the entrance. The image is in black and white, highlighting the textures of the brick and the architectural details of the stone portico.
