Castles

A black and white photograph of the Castles building, a prominent Art Deco skyscraper. The building is characterized by its vertical lines and multiple wings of windows. A central vertical column runs down the front facade. Above the entrance, the word "Castles" is written in a stylized, cursive font. The ground floor features a decorative, geometric pattern. In the foreground, several palm trees and a decorative fence are visible. A car is partially visible in the lower left corner. A tall, thin structure, possibly a crane or antenna, is visible on the left side of the image.
