A black and white photograph of a small, white Gothic Revival style church. The church features a steep gable roof, a small square window in the gable, and a central entrance with a pointed archway. The entrance door is a four-pane window. On either side of the door are tall, narrow Gothic windows with pointed tops and decorative tracery. The church is surrounded by a lawn and trees. A sign in the foreground on the left reads "WINGSTON" and "THE TRINITY LUTHERAN CHURCH".
