SOURCES Oszuscik, p. 278	

This building is associated with the early years of local government and an unsuccessful effort to establish a public market system for Davenport shopkeepers. After the 1870's it was used as a city calaboose. Because City Hall remains intact the market building's value is diminished. DESCRIPTION City Market was constructed in c. 1872 as a place for shop keepers to bring their wares to sell. The Market ceased operation in the late 1870's due to little interest. To have a stall at the public market, merchants needed to close their revular shops and this proved unprofitable. City Market became the municipal calaboose a short time later. Prisoners and the rock ple were maintained here. After City Hall was built in 1896, the patrol wagón and women prisoners were kept here. The Market went by the name of "Bride- well" by then. In more recent years the building has housed ambulances and the Parking Division. SOURCES Lemm, H.J., Souvenir of Police and Fire Department of Davenport, Iowa, Davenport: Democrat Co., 1899.
