A black and white photograph of a building facade. On the left, a dark rectangular sign is mounted on a wall, featuring the text "IAH" in a large, bold, serif font above the word "state" in a smaller, lowercase serif font. The sign is partially obscured by a dark, overhanging architectural element above it. To the right, a large, light-colored stone pillar or column is visible. In the foreground on the right, a circular object, possibly a door handle or a decorative element, is mounted on the wall. The background shows a narrow alleyway or street with trees and a bright sky.
