A black and white photograph of a single-story building with a flat roof and a large, dark, dome-shaped structure on top. The building has three large, dark, rectangular openings that appear to be entrances or large windows. Above these openings is a horizontal band with the text "RATON CONVENTION - RECREATION CENTER". To the right of the main building, there is a taller, narrower section with a doorway. A tall, thin antenna or pole extends from the roofline on the right side. The sky is overcast with clouds. The foreground shows a paved area with some concrete blocks or steps.
