Demand Notes are payable on presentation, without grace, and bear legal interest after a demand has been made, if not so written. An endorser on demand note is holden only for a limited time, variable in different States.

A **Negotiable Note** must be made payable either to bearer, or be properly endorsed by the person to whose order it is made. If the endorser wishes to avoid responsibility, he can endorse "without recourse."

A **Joint Note** is one signed by two or more persons, who are each liable for the whole amount.

In most States, **NOTES FALLING DUE SUNDAY, or on a legal holiday, must be paid the day following.**

Notes dated Sunday are void.

Altering a Note in any manner, by the holder, makes it void.

Notes given by minors are void.

The maker of a Note that is lost or stolen is not released from payment if the amount and consideration can be proven.

Notes obtained by fraud, or given by intoxicated persons, cannot be collected.

An **Endorser** has a right of action against all whose names were previously on a note endorsed by him.
