18. Description This is a frame, shingle and weatherboard structure with a slate roof and limestone foundation. Large verandas under a roof surround the house. The interior of the house is spacious with very fine woodwork including twisted columns connected by an archway between the great hall and the dining room.		26. Prehistoric Site Historic Site Building <input checked="" type="checkbox"/>																												
19. History This house was built c. 1890 for Charles Bonnycastle Robinson who was owner of the Beargrass Woolen Mills. It was designed by Wm. J. Dodd (1862-1930) a prominent local architect who was quite prolific and comfortable in many styles. The house was built by Wm. B. Wood a local contractor.		27. District Name:																												
20. Significance This is a prime example of the Shingle Style of the late nineteenth century. It is a very good representative of the work of Wm. J. Dodd a significant architect who had studied with Wm. L. Jenny in Chicago and worked with a number of architects in Louisville (SEE NEXT PAGE)		28. Significance Evaluation 29.
