View southeast highlighting
second story and west
additions to tower building.

Photo 8 of 18

A black and white photograph of a large, multi-story industrial building. The building features a prominent tower on the left side with a flat roof and a decorative cornice. The tower has three arched windows on the top floor and three rectangular windows on the floor below. A sign on the tower reads "AMERICAN ACAR CO." in bold, capital letters. Below the tower is a large, arched gateway that provides access to an interior courtyard or parking area. The gateway is flanked by two large, arched windows. In the background, a smaller building and a forklift are visible through the gateway. The overall style is functional and industrial.
