Planned by Whitehouse & Foulhoux, architects, a \$18,000 home for Elliott R. Corbett has just been completed at Rivera. The photograph is the upper one in this picture. A second home, similar in cost and plan but different in finish and appearance, is now under way for H. L. Corbett. A feature of the latter house is a long hallway having at the end a window which serves as a frame for Mount Hood. The Elliott Corbett house has a large porch overlooking the river and mountains. The design of both is farmhouse colonial.
