Geographical Data -- Earl Douglass Workshop/Laboratory

Acreage: Single structure, less than one acre

UTM Reference:

Zone		Northing		Easting
12		44-77-920		6-44-000

Verbal Boundary Description:

The Douglass Workshop/Laboratory is bounded on the east by the peak of a hillside that forms the rear wall of the building, on the north by the beginning of a downward slope that commences about twelve feet north of the building, on the west by a service road at the bottom of the hill that the building sets on and on the south by that same road as it curves to run in an easterly direction. This road is approximately thirty-five to forty horizontal feet from the building.
