A black and white photograph of a two-story brick building with a modern architectural style. The building features a prominent entrance with a covered walkway supported by white columns. The facade is primarily brick, with white decorative elements around the windows and entrance. A sign on the left side of the building reads "GEORGE C. WALLACE SPEECH AND HEARING CENTER". In the foreground, there is a grassy area with a concrete sidewalk leading to the entrance. A "NO PARKING" sign is visible on the left. The sky is overcast, and there are trees in the background.

GEORGE C. WALLACE  
SPEECH AND HEARING CENTER

NO
