A black and white photograph showing a close-up, low-angle view of a steel truss bridge structure. The image is dominated by dark, heavy steel beams forming a complex lattice of triangles and rectangles. In the center, a rectangular sign is mounted on a horizontal beam. The sign contains the text: "1906", "THE CANTON BRIDGE CO.", "BUILDERS", and "CANTON, OHIO". The background is a plain, light-colored sky. The lighting creates strong shadows and highlights the metallic texture of the steel.
