COLEBROOK

The first town in colonial Connecticut to be settled, Colebrook was named after a town in Devonshire, England. The name is from the Indians. The year 1792 was England's bicentennial and a holiday of reflection, peace and high spirits. Daniel Badger, among those who nearly abandoned the area of present-day Colebrook, was inspired by the name of the town in Devonshire, England. He was born in Colebrook, New York, and after moving to the area of present-day Colebrook, he was inspired by the name of the town in Devonshire, England. He was born in Colebrook, New York, and after moving to the area of present-day Colebrook, he was inspired by the name of the town in Devonshire, England.
