Q)

Bethel A.M.E. Church 820 Clay St. 80-168

Located in a neighborhood of slightly deteriorating wood frame houses of the late 19th century, this is a simple 2 story church building of 1 by 3 bays. It is faced in stucco. The metal gable roof has small exposed rafter ends. The 2nd story windows are slightly arched d/s (2/2); in the NW end, the window is stained glass. The 1st story windows are d/s (2/2) set in segmental arched apertures. A datestone is above the central door on the NW.

Bethel A.M.E. Church 820 clay St. 80-168

Located in a neighborhood of slightly deteriorating wied frame houses of the late 19th century, this is a simple 2 story church building of 1 by 3 bays. It is fixed in studeo. The metal pable roof has small exposed rafter ends. The 2nd story windows are slightly arched 8/s (2/2); in the AW end, the window is stained class. The 1st story windows are d/s (2/2) set in segmental arched apertures. A dateston is above the central door on the AW.
