A black and white photograph of a brick building's exterior. The building features a dark brick pattern with horizontal bands of lighter-colored bricks. A rectangular, light-colored panel is set into the brickwork. To the right of this panel is a plaque with the text "MARTIN BARRETT HOSPITAL" and "1979" below it. A vertical pipe runs down the side of the building, and a metal staircase with a railing is visible to the right, partially obscured by a large, dark tree. The foreground is a dirt area with some sparse vegetation.
