Secribe view, DIRECTION, ETC. View looking northwest from just east of the
Daniel Nelson home. This view shows besides the east end of the home,
the 1856 barn built by Daniel Nelson from timber cut from the farm and
the lumber sawed in his own saw mill on the farm; the 70 foot high wood
frame windmill, and the Museum building built in 1964. The paved road
#Soft between the house and barn is hidden behind the banks on each side of the road.
